Question for the judge,
From Phenvipa Sopapau

when patents are granted by the government,
does it mean all details of patent are available
for public to search ~~for~~ for free or do you have
to get permission from the patent owners?

Thank you your honor,

Phenvipa Sopapau

A question for the witness may be submitted to the Court through the Clerk during a recess or at the close of testimony. The Court will decide whether it is appropriate to ask the question. If it is not asked, do not speculate as to the reasons for the decision.

I see on the schedule that deliberation may continue all day.

- ① If we stay on schedule, when can we expect to begin deliberating? What day?
- ② Is deliberation included in the schedule ending on September 26? Or will we begin deliberating on that day?
- ③ If deliberation takes us more than one day, what ^{time} is the latest we may be expected to stay per day? As in, what time is "all day"?
- ④ Once we are deliberating, will we be expected to stay later than 1:30 each day we deliberate? How late?
